

List of Approved Judges January 2017

The following is a list of members of the Society who are approved as Judges of Daffodils having demonstrated their capability of operating in accordance with the criteria for the assessment of individual flowers/stems and exhibits as established by the Society.

All arrangements for inviting any of the named individuals to officiate at Shows must be made direct with them and not through the Society. In response to several requests from Affiliated Societies the list has been extended to include telephone numbers and an indication of the distances people are prepared to travel. Where no distance is shown then the judge has indicated that he is prepared to judge anywhere subject to prior agreement.

A number of the named individuals are also prepared to assist Affiliated Societies by the giving of lectures/talks on a wide variety of issues associated with the growing and showing of Daffodils. These are marked with asterisks (***) to the left of their name. Again, arrangements should be made directly with the individual.

Queries about this list, or amendments to the information should be raised with
