MEMBERSHIP RENEWAL FORM 2022

Dear Member

Once again, your annual subscription to the Daffodil Society is now due. This has been another difficult year for us all but we are ever optimistic that next year things might be better. As it stands the plans are in place for our own show which will be on Saturday and Sunday 16th & 17th April at the Birmingham Botanical Gardens. All being well we hope that you will be able to attend and support the show in its exciting new venue. A show schedule is attached together with instructions for printing.

As our show was again cancelled in 2021, and the Newsletter, which principally reports on the shows, was therefore not published, the committee has decided that, as for last year, the renewal subscription will be reduced by £5. We do hope that you will renew your subscription which runs from 1st January to 31st December. Can you please pay by bank transfer if possible, which simplifies administration as well as saving you postage.
